<u>Petition to the Notice to File Corrected Applications Papers Dated October 14, 2003</u>

Application No. 10/602,506, Continuation in Part
Inventor: Hanabusa, R.
Attack Deterrent and Attacker Identification System

<u>Statement of Facts</u> The Notice to File Corrected Applications Papers states that the Figures 35 – 38 were omitted from the application as filed.

The total number of drawing sheets sent was 21, all shown as having been received by the U.S.P.T.O. in the copy of the filing post card included with this petition. Fourteen of the sheets were numbered 1/14 through 14/14 and the remaining 7 sheets were not numbered. Figures **35-38** were on the sheet 12/14 and are also included with this response. Since the U.S.P.T.O. received all 21 sheets of drawings as shown on the copy of the return post card and the total number of sheets needed for the drawings for this application was 21, the U.S.P.T.O. had to have received the Figures 35-38 in the 21 sheets of drawings that were acknowledged as having been received by the U.S.P.T.O. Therefore, the Figures 35-38 were included in those sheets and were not omitted.

The Petitioner respectfully requests that the above application be accepted as complete on its filing date of June 24, 2003.

Respectfully submitted,
